Craighead Electric Now offers E-Business, a simple way to view and pay your electric bill online. Log on to our website at [www.craigheadelectric.coop](http://www.craigheadelectric.coop). Select the E-Business icon and follow the instructions to create your account. Members choosing not to pay online may use our Pay by Phone program by calling toll free 1-888-932-1891 to make your payment. For more information, check out the bill insert with this bill or the **Rural Arkansas** magazine.

**Energy Efficiency - Tip of the Month**

Keep your fireplace damper closed unless you build a fire. An open damper allows as much warm air to escape as a fully opened window. If you never use your fireplace, plug and seal the chimney flue.

Please detach and return bottom portion with payment

## Explanation of Charges

**Energy** - This charge is calculated by multiplying the number of Kwh used by the rate per Kwh.

**Availability Charge** - This charge is based on fixed costs consisting of right-of-ways, power lines, and other maintenance and operating costs, including property taxes and other expenses associated with service to a members's location. These charges occur regardless of the amount of energy purchased or sold.

**Debt Adj.** - Is a debit or a credit on each member's bill that changes monthly as the costs of borrowed money increases or decreases beyond what is included in the rates.

**Energy Cost Adj.** - Is a debit or a credit on each member's bill that changes monthly as the costs to producing electricity increases or decreases beyond what is included in the rates.
